When Barretts sold a sale-record mare for \$560,000 at its 2007 winter mixed auction, that set the bar high, and it wasn't surprising to see figures fall at the 2008 winter mixed sale from the year before. Villa Margurite, an unraced mare by Bertrando, topped the latest edition of the Southern California auction at \$120,000. It was the only six-figure price of the Jan. 22-23 sale, which averaged \$6,288, down 34.1% from the 2007 average of \$9,539.

The 2008 sale grossed \$2,225,900 for the 354 horses sold and didn't have the large dispersals of the year before, which included the complete dispersal of Granja Vista Del Rio, consignor of the record-priced mare. The median for this year's sale was \$3,200, and the buy-back rate was 27.6%.

"This was very comparable to last year without those dispersals," said Jerry McMahon, president and general manager of Barretts. "We didn't have any stars, but it felt like there was good activity and it was pretty good for a bread-and-butter sale."

River Edge Farm consigned Villa Margurite, a full sister to multiple stakes winner Hugh Hefner, as agent for the estate of the late Edward Nahem. River Edge owners Martin and Pam Wygod bought the bay mare. Nahem campaigned homebred champion Bertrando in the 1990s and continued to race horses until his death last Oct. 31. Villa Margurite sold in foal to Benchmark, who, like Bertrando, stands at River Edge.

A colt from the second crop of Marino Marini topped the yearlings, selling for \$70,000, the second-highest price of the sale. Dr. Patrick Sheehy's Super Horse bought the yearling, which is out of the Avenue of Flags mare Storybook Fair, from Matt and Barbara Butterworth's West 12 Ranch as agent.

"The yearlings, averaging \$7,515, were the strength of the sale," said McMahon, who noted that buyers wanted young horses with good conformation more than they wanted the mares. "When a mare had a baby in the sale, the baby was bringing three to five times what the mare brought." *By Tracy Gantz*
