Sale horses are listed by catalog hip number; horses withdrawn prior to the sale are not included. Unnamed 2-year-olds are identified by sex and pedigree; older horses by name, sex, year of foaling, and pedigree.

Consignors are named in parentheses, followed by buyers and prices. The final bids of those horses bought back by their consignors are shown in parentheses, followed by the notation "Not sold."

Dams named in bold-face letters are stakes winners; those designated SPR are producers of stakes winners.

Male horses are listed by catalog hip number; horses withdrawn prior to the sale are not included. Unnamed 2-year-olds are identified by sex and pedigree; older horses by name, sex, year of foaling, and pedigree.

Consignors are named in parentheses, followed by buyers and prices. The final bids of those horses bought back by their consignors are shown in parentheses, followed by the notation "Not sold."

Dams named in bold-face letters are stakes winners; those designated SPR are producers of stakes winners.

Sale horses are listed by catalog hip number; horses withdrawn prior to the sale are not included. Unnamed 2-year-olds are identified by sex and pedigree; older horses by name, sex, year of foaling, and pedigree.

Consignors are named in parentheses, followed by buyers and prices. The final bids of those horses bought back by their consignors are shown in parentheses, followed by the notation "Not sold."

Dams named in bold-face letters are stakes winners; those designated SPR are producers of stakes winners.
