O'NEILL 'MORE AT EASE' THAN 2012

By Evan Hammonds

ANNE M. EBERHARDT

Nyquist (left) and Jonny Garcia jog with Jack Sistierson on Satire at Churchill Downs

Trainer Doug O'Neill doesn't feel any extra pressure arriving at Churchill Downs with the Kentucky Derby (gr. I) favorite than he did prior to winning the race in 2012 with 15-1 shot I'll Have Another.

O'Neill fielded questions at the barn May 1 after Nyquist, whom he trains for Reddam Racing, got his first look at the main track. He was asked about any pre-race nerves compared to 2012.

"We're excited, but the whole team, the whole family here at the barn ... we're more at ease," he said "Having gotten lucky in 2012, it really taught us that you don't have to do anything special. Going a mile and a quarter for the first time, there is the thought that 'maybe I need to do more with him,' or (continued on page 3)

(continued from page 1)

gallop him more. And then, with all the people here, you think 'maybe I need to school him more.' We decided just to keep the routine up. It worked in 2012, so we're going to do the same with (Nyquist).

"When you get here in the morning, you walk through the shedrow with one eye open and one eye closed, because anything can happen with these beautiful horses," O'Neill said. "But as soon as I see (Nyquist's groom) Elias smiling, then I start smiling, and I know that Nyquist had eaten up and his legs look good. That's the stressful part. ... the first few minutes at the barn, but if that goes good, then the rest is icing on the cake for the rest of the morning."

A day after shipping from Keeneland, Nyquist jogged over the sloppy going under exercise rider Jonny Garcia, then cooled out at Barn 41 on Churchill's backstretch.

"He just had an easy jog today—nothing major," O'Neill said. "Jonny said he felt great. (Nyquist) was a little bit more in control. He can be strong. We've just learned that, with him, it is one day jog, one day gallop."

By leading first-crop and leading juvenile sire Uncle Mo, Nyquist got in his final pre-Derby work April 29 at Keeneland, working a mile in 1:41 before the day's first race.

"His work was awesome," O'Neill stated. "It's just so nice to have the whole track to yourself. There were a lot of people in the stands there, and people were yelling his name. (Jockey) Mario Gutierrez flew in to ride him, and he was smiling ear to ear after

the work, and was happy with how he felt and the energy he displayed."

As for the coming days, O'Neill said Nyquist will gallop May 3 and visit the paddock May 4. **BH**

DENNIS O'NEILL SEEKS SECOND DERBY WIN

By Ron Mitchell

JOE DIORIO

Dennis O'Neill bought Nyquist for much less than he expected at the Fasig-Tipton Florida sale

When Dennis O'Neill found a nice colt from the first crop of Ashford Stud stallion Uncle Mo at the 2015 Fasig-Tipton Florida 2-year-olds in training sale at Gulfstream Park, one of his first thoughts was there was no way he could buy him on behalf of owner Paul Reddam.

"I really, really liked the (pre-sale) work, and he was what I usually look for at a sale and can't afford," O'Neill said. "He was real athletic and had a great mind. We usually don't spend \$600,000-\$800,000, and I told Paul (Reddam) he was going to cost \$800,000 to \$1 million."

O'Neill was pleasantly surprised when the colt, consigned by Niall Brennan Stable, was knocked down to him for what he believed to be a bargain \$400,000.

"Honestly, when the bidding started, I didn't think we had any chance to get him," O'Neill said. "Generally, I know who is bidding and what their MO (modus operandi) is. When the bidding stopped at \$400,000,

we were all kind of dumbfounded at what had just happened. (The auctioneer) pointed at me and hit the hammer. It was surreal."

Nyquist, trained by Dennis' brother, Doug, won an Eclipse Award as outstanding 2-year-old male of 2015, and puts his seven-race undefeated streak on the line in the Kentucky Derby (gr. I).

If he wins the Derby, Nyquist will become the second winner of a classic that Dennis bought at auction for Reddam and Doug O'Neill. He purchased 2012 Derby winner I'll Have Another at the 2011 Ocala Breeders' Sales Co.'s April sale for \$35,000.

At sales Dennis O'Neill spends a lot of time observing his prospective purchases. He was able to see Nyquist in his stall numerous times daily and had Brennan's personnel bring him out six to eight times so he could not only take another look, but also see how the colt handled the moving around.

"If I'm going to bid on them, I check on them a lot," O'Neill said. "I'm real good about checking them out throughout the day to see how they are in the stall."

Bred by Summerhill Farm in Kentucky, Nyquist is out of the winning Forestry mare Seeking Gabrielle. Nyquist and his dam were both sold at the 2013 Keeneland November sale, the colt bringing \$180,000 from Madison Farm and Seeking Gabrielle \$100,000 from Hinkle Farms.

Pinhooked by Dromoland into the following year's Keeneland September yearling sale, Nyquist was purchased by Sutton Place Farm for \$230,000. **BH**

Tapit (left) and Uncle Mo both have three likely Kentucky Derby runners

DERBY SIRE SHOWDOWN

By Eric Mitchell

Among the subplots of this year's Kentucky Derby (gr. I) is a stallion showdown between a proven veteran and a young gun.

Leading sire Tapit and top second-crop sire Uncle Mo will likely have three starters each in the Derby gate, more than any other sires with Derby contenders this year. Tapit's runners are Mohaymen, Creator, and Lani, while Uncle Mo has Nyquist, Outwork, and Mo Tom.

Other sires represented among the current top 20 point leaders are Giant's Causeway (2 entrants) and those with one starter each: Bernardini, Candy Ride, Curlin, Eskendereya, Kitten's Joy, Mineshaft, More Than Ready, Pleasantly Perfect, Street Cry, Tiznow, Twirling Candy, and Trappe Shot.

On the surface, this head-to-head between Tapit, Gainesway's star son of Pulpit who was the top North American sire in 2014 and 2015, and Ashford Stud's Uncle Mo, a son of Indian Charlie, appears lopsided.

Now in the middle of his 12th season, Tapit has sired 77 black-type winners, which include 48 graded black-type winners and six champions.

His 2016 crop of 3-year-olds was produced from an exceptionally talented group of mares. They had an 11.32 Class Performance Index (CPI) and a 4.44 Comparable Index. The CPI indicates how good the mares were as runners, while the CI indicates their quality as producers. Tapit had the second-highest CPI among stallions standing for \$100,000 or more and was tied with the second-highest CI with two other stallions in the same stud fee range.

By comparison, Uncle Mo had the highest CI of his sire class with a 2.92 and the third-highest CPI at 3.38,

behind Misremembered (4.24) and Gio Ponti (3.46).

A comparison of Tapit's and Uncle Mo's Derby contenders in graded stakes this year reveals the following:

- Each set of contenders has won four graded stakes and two grade I stakes;
- Tapit's runners produced an average Equibase/Timeform speed rating of 106 in their graded stakes performances, and an average of 110 in their graded stakes wins;
- Uncle Mo's runners produced an average Equibase Speed Rating of 102 in all graded stakes performances and an average of 104 in graded stakes wins.

• The average winning margin of Tapit's contenders is 1.94 compared with Uncle Mo's 1.43 average.

What makes this showdown so compelling is the extraordinary competitiveness exhibited by the progeny of both, according to Kentucky bloodstock consultant Jim Schenk.

"And you have no idea where it is coming from," Schenk said about the will to win. "The thing about both those horses, they get sound horses and they absolutely run. They all have that look and are amazing horses. They actually are very similar." **BH**

DERBY WINNERS FROM A SIRE'S FIRST CROP

By Evan Hammonds

In the past 20 years, five sires have registered Kentucky Derby (gr. I) winners from their first crops. For this year's Derby, three first-crop sires are likely to have runners: Uncle Mo, Trappe Shot, and Twirling Candy.

Uncle Mo may have as many as four: unbeaten champion juvenile Nyquist; Wood Memorial (gr. I) winner Outwork; grade III winner Mo Tom; and Laoban, currently 23rd in the Derby standings. Trappe Shot is the sire of Blue Grass (gr. I) second My Man Sam, and Twirling Candy is the sire of San Felipe (gr. II) winner Danzing Candy.

Frank Angst's feature story in the May 7 *Blood-Horse* examines the five stallions who have sired Derby winners in their first crops, and plots out the benefits that followed—a healthy increase in both stud fee and yearling averages, for two.

Two sires have registered Triple Crown winners in their first crop: Gallant Fox (the 1930 Triple Crown winner) sired 1935 Triple Crown winner Omaha, and Bold Reasoning, the sire of 1977 Triple Crown winner Seattle Slew. **BH**

THE MAXIMS OF PITTSBURG PHIL

By Evan Hammonds

For Kentucky Derby week, we offer handicapping tips from *Racing Maxims and Methods of Pittsburgh Phil*, edited and published by Edward W. Cole in 1908.

"Pittsburg Phil" was actually George Smith, who was methodical in his gambling, never laying a bet unless he was certain that a horse was a substantial underlay. We could all learn from his wisdom:

"A man who has not an opinion of his own and the ability to stick to it in the face of all kinds of arguments—and arguments include betting odds in a race—has not one chance in a million to beat the races for any length of time.

"One who is susceptible to 'tips,' or what is known as paddock information, may bet along very well for awhile, but I have yet to find one who has stuck to this line who could show a bankroll of any dimensions.

"Frequently, I have a half dozen 'tips' on the same race, and it was there that my own judgment stood me in good stead." **BH**

GALILEO DAUGHTERS DOMINATE GUINEAS

By Clive Webb-Carter

Seven-time leading sire Galileo had an exceptional weekend in Great Britain and Ireland.

Not only did Minding lead home a 1-2-3 in the One Thousand Guineas (Eng-I) for him, he was also the broodmare sire of three worldwide stakes winners April 30, including Two Thousand Guineas (Eng-I) winner Galileo Gold.

Minding also became the first Newmarket One Thousand Guineas winner for her sire, meaning Galileo has now sired winners of all five British classics.

The One Thousand Guineas, in which Ballydoyle

and Alice Springs chased home Minding, repeated the finishing order of last season's Moyglare Stakes (Ire-I). It was not the first classic in which Galileo sired the first three—in the 2014 Irish Derby (Ire-I), Australia led Kingfisher and Orchestra.

Galileo has made a particularly strong start to this season with seven stakes winners, four bred on the Galileo/Danehill cross. Minding, who is out of Danehill Dancer's dual group I winner Lillie Langtry, became the seventh classic winner out of a Danehill-line mare.

Saturday also produced a new stakes winner for the Galileo/Danehill cross: Apple Betty, a full sister to Magician, won a listed event in France. **BH**

CHAUTAUQUA, MAURICE TRIUMPH IN HONG KONG

By Bob Kieckhefer

Japanese miler Maurice and Australian sprint star Chautauqua took top honors at Sha Tin Racecourse May 1 in a rare shutout for the local team in two group I events in Hong Kong.

Chautauqua (Encosta de Lago) rolled from last to win the Chairman's Sprint Prize (HK-I) in the final stages and stake a claim as the world's top sprinter, beating Hong Kong's Lucky Bubbles by a neck, with another length back to Strathmore.

With victories in Hong Kong and in the Lightning (Aus-I) in February, Chautauqua has a chance to win the \$1 million Global Sprint Challenge bonus, given to any horse that can win a designated race in three countries. His next possible targets are the King's Stand and the Diamond Jubilee, both group Is at Royal Ascot in June.

United States challenger Mongolian Saturday, the Breeders' Cup Turf Sprint (gr. IT) winner, finished ninth.

One race later, Maurice (Screen Hero) won his second major Hong Kong contest. Running for the first time since the Hong Kong Mile (HK-I) in December, Maurice sprinted away in the stretch to win the Champions Mile (HK-I) from Contentment and Packing Pins. **BH**

BEN'S CAT A WINNER IN 10-YEAR-OLD DEBUT

By Tom LaMarra

The Jim Stable's Ben's Cat is headed to Pimlico to try to win a fifth Jim McKay Turf Sprint May 20

Ben's Cat, now 10, returns a winner at Laurel May 1

after winning his 10-year-old debut in an open allowance turf sprint May 1 at Laurel Park.

Ridden for the first time by Trevor McCarthy, Ben's Cat, a Parker's Storm Cat gelding bred in Maryland by owner and trainer King Leatherbury, overcame a wide trip to land the 5 1/2-furlong event in 1:03.21 on turf rated "good."

The victory was the 31st in 54 starts for Ben's Cat, who ran his record to eight wins, three seconds, and a third in 12 starts at Laurel.

"I was tickled with where he was early, but on the turn he wasn't getting anywhere," Hall of Fame trainer Leatherbury said. "It was like he wasn't getting himself together, but then he got himself together and, of course, fired down the lane like a big shot. As a 10-year-old, he has never been better."

In his previous start last November Ben's Cat finished a dull seventh in the Fabulous Strike Stakes on the dirt at Penn National. **BH**

LADY SHIPMAN NO WORSE FOR WEAR IN RETURN

By Tom LaMarra

Ranlo Investments' Lady Shipman bounced back strongly from her Dubai trip with an impressive victory in the License Fee Stakes May 1 at Belmont Park.

The 4-year-old Midshipman filly, bred in Kentucky by Randall Lowe, made short work of three challengers in the six-furlong stakes for fillies and mares. Lady Shipman, under Irad Ortiz Jr., broke from the outside post, dueled with Shrinking Violet for more than a half-mile, and pulled away to win by 2 3/4 lengths in 1:07.49 on a turf course rated "good."

Zindaya, last of four early, finished second with Shrinking Violet third and Vicki's Dancer fourth. Lady Shipman paid \$3.10 to win as the heavy favorite.

"She was training great up to this race and ran great," said Joe Lee, assistant to trainer Kiaran McLaughlin. "You never know how much a trip like that, shipping there (Dubai) and back, will

impact a horse."

Lady Shipman, now 10-for-15 lifetime, finished seventh of 13 in the Al Quoz Sprint (UAE-I) on grass March 26. McLaughlin took over the filly's training from Kathleen O'Connell for 2016. **BH**

HIGH HOPES FOR TAKE CHARGE TAPIT

By Claire Novak

“Come on in and let me show you the future,” Hall of Fame trainer D. Wayne Lukas said at his Churchill Downs barn May 1.

Without a contender in this year's Kentucky Derby (gr. I), Lukas is banking on a strong crop of 2-year-olds, including one from a brilliant line—Willis Horton and Three Chimneys' Take Charge Tapit.

Three Chimneys bred the strapping gray son of Tapit in Kentucky out of the Deputy Minister mare Christie Village, a half sister to blue hen producer Take Charge Lady (both are out of the Rubiano mare Felicita). Three Chimneys bought Christie Village for \$460,000 from Taylor Made's Eugene Melnyk dispersal consignment to the 2013 Fasig-Tipton Kentucky February mixed sale.

Take Charge Tapit, her fourth foal, was a private purchase by Horton from Three Chimneys, which retained 50%. Her only runner to race, the 2012 Marchfield filly Belle Chloe, was a winner in Canada. She has a 2015 colt by Malibu Moon and was barren in 2016.

“I saw him at the sale, and I really liked the horse—had it vetted and all—and Three Chimneys

decided to pull it out of the sale,” Horton said. “I didn't know until they'd announced at the sale that it had been pulled out. Anyway, I got to talking with them and made a deal with them to own 50%. I get to do all the racing with him, and then after racing's over, they want to stand him. Of course, he's gotta be good, or he won't be worth standing.”

Three Chimneys' chief commercial officer Case Clay said the colt was highly regarded from the start.

“We weren't getting a ton of action on him as it got closer to the sale, and we've always loved him, so we thought we'd just take him home and race him,” Clay explained. “Mr. Horton got in touch with me and said, ‘We loved him,’ so we said we'd love to be partners.”

Horton and the Lexington operation have established a good working relationship since the Arkansas owner's champion Will Take Charge retired to stud there.

“We've just kind of hit it off. We get along great with each other,” Clay said.

Lukas said that Take Charge Tapit should start at the current Churchill meet. He also has juvenile colts by Blame, The Factor, Mineshaft, and Curlin for Horton, along with a Giant's Causeway filly.

“I had to step up to the plate at the sale to get them,” Horton said. “I hope they turn out good.” **BH**

WISH COMES TRUE FOR ZENYATTA FAN

By Claire Novak

ANNE M. EBERHARDT

Tiana Holloway meets Zenyatta at Lane's End Farm

A special girl met a special horse April 29 at Lane's End Farm.

Tiana Holloway, a 9-year-old California resident battling leukemia, heard of champion Zenyatta when she was diagnosed. Four years later, the Make-a-Wish Foundation's Ohio, Kentucky, and Indiana chapter partnered with Lane's End and Jerry and Ann Moss to arrange a meeting.

"My sister sent her videos of Zenyatta, and that's how she became a racing fan," said Tiana's mother, Lizzie Holloway. "It's been very therapeutic for her. We started taking her to the racetrack right after she got diagnosed. Everyone knew she got diagnosed, so she was kind of the 'cancer kid' at school. When she went to the racetrack, no one knew, and everyone treated her like a normal kid. That was very important in helping her deal with the fact that her entire world changed overnight."

The local Make-a-Wish chapter also teams with Keeneland for a day at the races every year.

Tiana, who wore a shirt matching the Mosses' racing silks, said she loves Zenyatta because she's "so sweet." She said the visit made her feel "really awesome." **BH**

FIRST WINNER FOR COIL

By Alastair Bull

Dual grade I winner Coil is off the mark as a stallion with his first runner at Golden Gate Fields May 1.

A filly from Coil's first crop, Recoiling, led from the start in the 4 1/2-furlong maiden special weight juvenile race, winning by 1 3/4 lengths from Only You Babe (Thorn Song) and Carville (Globalize). Hansen's first runner, Hansencat, finished fifth.

Coil, a maiden winner at 2, won three races as a 3-year-old, including the Haskell (gr. I), in which he defeated Preakness (gr. I) winner Shackleford, and the Affirmed Handicap (gr. II). He returned to win the Santa Anita Sprint Championship (gr. I) at 4 and the San Pasqual (gr. II) at 5.

By Point Given, Coil is out of Eversmile (Theatrical), a half sister to champion turf female Possibly Perfect. He stands at Magali Farms in Santa Ynez, Calif., for \$5,000.

Bred by Martin Bach, Recoiling is raced by Bach along with Lynn Gitomer and Daniel Weiner. She is out of Chanceofalifetime, whose progeny include stakes winner Kelly's Princess (Western Fame). **BH**

GAINS IN THE JUVENILE PINHOOK MARKET

By Eric Mitchell

With four of the major juvenile sales behind us, the market has provided enough numbers to take a mid-cycle look at pinhooks.

MarketWatch compiled the records on horses offered through the four 2-year-olds in training sales in 2015 and 2016 that also had been previously offered at auction. The 2,388 juveniles passed through the Fasig-Tipton Florida, Ocala Breeders' Sales Co. March, Barretts March, and OBS April sales. Of those horses, 104 had been only offered previously as weanlings. Since the vast majority of pinhooks are yearling-to-juvenile, we focused on this group.

We next divided the yearling-to-juvenile pinhooks into two groups. One includes both sold and RNA prices to provide a more complete picture of the horses' perceived market value. The second includes only those sold as yearlings and subsequently sold as juveniles. For both groups *MarketWatch* looked only at median sale price in order to mitigate for the extreme highs and lows.

Overall, pinhookers fared better in 2016, with three of the four sales showing an increase in return on investment. ROI is the percent change between the median 2-year-old price minus the 5% sale commission and the median yearling price.

The Fasig-Tipton Florida sale saw the biggest improvement in ROI, rising to 101% this year from 78% in 2015—the first year held at Gulfstream Park. What pinhookers got for their horses as juveniles offset the higher prices they paid at yearling and mixed sales. The yearling median between 2015 and 2016 rose 6.25% while the median 2-year-old price rose 20% to \$270,000, from \$225,000 at last year's sale. The Fasig-Tipton sale was the only auction with six-figure medians for both

2-year-olds and as yearlings for both years.

Barretts' March sale also saw a healthy rise in ROI to 109% in 2016 from 83% in 2015. Pinhookers at this sale benefited on both sides of the equation. The yearling median dropped nearly 4% to \$50,000 for 2016 while the average 2-year-old median rose 10% to \$110,000.

The OBS April sale was the third to experience an improved pinhook market, with the ROI rising to 49% from 32% in 2015. Only the OBS March sale saw a decline in ROI, which can be attributed to increased yearling costs. The yearling median for 2016 OBS March horses increased 13.6% while the juvenile median didn't keep pace, rising 8.3%.

Regarding the market overall, including RNAs, the value of juveniles increased in only two sales—the Fasig-Tipton Florida and the OBS April sales. The OBS March median was unchanged while the Barretts March sale—its first year at Del Mar in 2016—dropped to \$85,000 from \$95,000. **BH**
