## KEENELAND FINISHES OUT WITH DECLINES

By Ron Mitchell

Keeneland's marathon September yearling sale, highlighted by the sale of Beholder's half brother for \$3 million, ended Sept. 25, with strength at the top and middle of the market and continued tepid demand for lower-quality individuals.

Keeneland reported 2,792 horses changed hands for \$272,890,500 during the 13-day auction, a decrease of 3.1% from the \$281,496,100 gross for 2,745 horses sold during the 12-day stand a year ago. The cumulative average of \$97,740 was a decrease of 4.7% from last year's \$102,549 and the median fell 20% from \$50,000 to \$40,000.

From 4,479 head cataloged, 681 yearlings (15.2%) were withdrawn from the auction, and the resulting 1,006 that did not attain their reserve prices represented 26.5% of the total through the ring.

During Sunday's final session, 147 horses sold for \$1,036,600, for an average of \$7,052 and a median of \$3,200. There was no comparable session in 2015. A colt from the first crop of grade I winner Morning Line, out of the stakes-winning Cape Canaveral mare (continued on page 3)

Angel Trumpet, brought \$45,000 from Royal Flush Racing to be the day's top price.

Keeneland officials said the sale showed stability within the marketplace and is a positive sign for the industry.

"Everybody I think is going to leave here feeling very happy that the sale was a great success," said Geoffrey Russell, Keeneland's director of sales operations. "A healthy September bodes well for the whole industry. People have left here very happy with their sale and consignors have been very appreciative of the buyers that showed up. Buyers are very happy with what they bought and are looking forward to going to the racetrack with these horses."

Russell said the increase in yearlings sold for \$500,000 to 93 this year from 69 in 2015 was indicative of the strong demand at the top of the market.

"There was great selectivity but when you are dealing with 93 half-million dollar horses there should be," the sales company executive said.

"This was a very good sale from start to finish," Keeneland vice president of racing and sales Bob Elliston said. "The results demonstrate the influence of the Keeneland September yearling sale. In many respects, this is the world's marketplace. Buyers know they can get good value here, that this is where you come to buy the most competitive horses available at any price and level of the market."

The auction was topped by a Scat Daddy colt, a half brother to multiple champion Beholder and grade I winner and sire Into Mischief. The colt was bought by M. V. Magnier on behalf of Coolmore Stud interests from Clarkland Farm. The \$3 million price tag makes him the highest-priced yearling sold at the September sale since 2010 and most expensive yearling sold at public auction in North America this year. It marks the seventh consecutive year Keeneland has sold the top-priced yearling in North America.

Next on the yearling sales calendar is the Fasig-Tipton Midlantic sale Oct. 4 in Timonium, Md., to be followed by the Oct. 24-26 Fasig-Tipton October Sale in Lexington.

Keeneland's next auction will be the November breeding stock sale Nov. 8-20. **BH**

## RUNHAPPY SET TO DEBUT AFTER FINAL PREP

By Evan Hammonds

James McIngvale's Runhappy, last year's champion sprint male, got in his final work Sept. 25 at Keeneland before he'll make his 2016 debut next weekend. The 4-year-old son of Super Saver was timed in :58 1/5 for five furlongs over the main track.

He is slated to make his 2016 bow in Churchill Downs' Ack Ack Handicap (gr. III) Oct. 1.

Shipped from his base at the Kentucky Training Center to Keeneland, Runhappy took to the track in darkness around 5:45 a.m. EDT under exercise rider Marcus O'Donnell. After trotting down the stretch in the opposite direction, he turned and went into a gallop. Hitting his stride as he went around the first turn he gathered momentum down the backstretch before breaking off.

Bloodstock agent Finn Green clocked Runhappy in splints of :13 1/5, :25 3/5, :46 4/5, and :58 1/5.

According to data pulled from E-Trakka, a GPS system in Runhappy's saddle pad, he got a half-mile in :46 3/5, five furlongs in :58 3/5, and galloped out six furlongs in 1:12.

"He's just a fast horse," Green said immediately after the move. "I've seen a lot of horses in my time, but I haven't seen anything like him. He's intelligent, his cardiovascular system is off the charts, and his biomechanics are incredible."

Trainer Laura Wohlers watched from the track's apron.

"I don't know where he started off because I was down by the wire to see him come down the stretch so I couldn't see across the track," she said. "I think he really started going around the half (mile). Marcus started him out slow. He's been trying to get him to relax early and finish up strong."

Cooling out at Barn 60 on Rice Road after the move, O'Donnell said little as he hustled off to train his own horses, but as he headed out the barn said: "He's scary good, guys; scary good. I was trying to gear him down after the turn, but he wanted to break off again at the seven-eighths pole."

Gray Lyster, who bred Runhappy with his brother Bryan and father, Wayne, was on hand for the move.

"I'm not a race guy, I'm a farm guy, but that was just impressive," he said. "Even to the novice eye you could see that he's just so fast."

Laura McIngvale Brown, the owner's daughter, told

KEENELAND PHOTOS

Lyster, "You've bred yourselves a racehorse, guys."

Runhappy has not raced since wrapping up the sprint championship with a resounding score in the Dec. 26 Malibu Stakes (gr. I) at Santa Anita Park. The Ack Ack Handicap is a one-turn mile race that would serve as a prep for the Breeders' Cup Dirt Mile (gr. I) Nov. 5 at Santa Anita.

"I think he's ready," Wohlers said. "We're not going to do anything else at this point. He did a strong two-minute clip on Wednesday and did that well. We've got this good, strong blowout under him and now it's just letting him relax and conserve some energy. He'll go to Churchill the morning of the race. We don't do Lasix, so there is no reason to go early." **BH**

## TEXAS CHROME GETS THIRD STAKES IN OKLAHOMA

By Jeremy Balan

Keene Thoroughbreds' Texas Chrome faced enough trouble to have his share of excuses Sept. 25 in the \$400,000 Oklahoma Derby (gr. III), but once again found just enough to win his third straight stakes.

Under the guidance of C.J. McMahon, the Texas-bred Grasshopper colt moved into striking position turning for home in the 1 1/8-mile test, but found no space between leading Sticksstatelydude and slight favorite Fish Trappe Road.

McMahon and Texas Chrome ducked abruptly to the inside for a clear path and battled to the wire as Stickstatelydude narrowed his window on the rail, but the game colt prevailed anyway by a half-length at Remington Park.

It was the third straight half-length stakes score for the J. R. Caldwell trainee, all since McMahon hopped aboard for the first time in the Super Derby Prelude. He also won the Super Derby (gr. III) in between.

"I was thinking (about) the outside and I saw (jockey Rafael) Bejarano (aboard Fish Trappe Road) still

had some horse, and I knew he wasn't going to let me through if he had as much as I thought he did," McMahon said. "When I saw the inside open up, I went for it."

Breaking from the rail in the field of 11, Texas Chrome travelled two wide in the backstretch and three wide in the final turn as he tracked early leader Way Striking, then Sticksstatelydude. Way Striking set fractions of :22.95 and :47.25 through a half-mile and Sticksstatelydude inherited the lead through six furlongs in 1:11.69. Texas Chrome hit the wire in 1:48.94.

"I knew they had some other speed going into the race, so my plan was to use the 1 hole to my advantage and hopefully something would open up, and it did," McMahon said.

The winner paid \$6.60, \$3.60, and \$2.60 across the board. Sticksstatelydude brought \$5.80 and \$3.60 and Fish Trappe Road delivered \$3 to show.

Bred by Craig Upham, out of the Naevus mare Margarita Mistress, Texas Chrome has eight wins from 13 starts with earnings of \$842,462. He was a \$10,000 purchase by Danny Keene out of the 2014 Fasig Tipton Texas yearling and fall mixed sale, where Stoneview Farm consigned as agent. **BH**

## CONNECT WELL AFTER PA DERBY VICTORY

By Blood-Horse Staff

Connect was in fine fettle Sept. 25, the day after his Pennsylvania Derby (gr. II) victory at Parx Racing and trainer Chad Brown said the Breeders' Cup will be considered along with several other races.

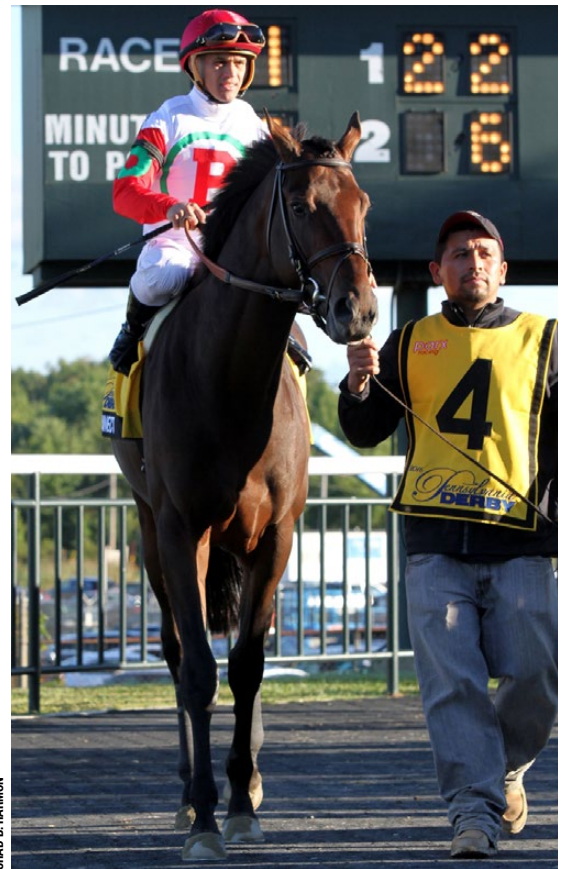

Brown, who watched the Pennsylvania Derby from Belmont Park, was thrilled with the performance of Connect, who beat 11 other 3-year-olds, including Kentucky Derby Presented by Yum Brands (gr. I) winner Nyquist and Preakness Stakes (gr. I) victor Exaggerator to earn his first graded stakes win.

The colt won his first three starts this year, including the Curlin Stakes July 29 at Saratoga Race Course before finishing sixth in the Travers Stakes (gr. I) Aug. 27 one start prior to Saturday's race, which he captured by a half-length from Gun Runner.

"We always thought a lot of Connect," Brown said of Paul Pompa Jr.'s son of Curlin. "He's a horse that took a while to come around. He had a couple of minor injuries along the way and he finally showed yesterday what we thought all along about him—that he could be a top 3-year-old dirt horse.

"We're very excited about him. So far he looks OK and we'll form a plan in the days to come. The Breeders' Cup will be considered, but there are other races as well and other routes we can take with him. He's definitely an exciting horse for the future." **BH**

## WARD: SCOPE REVEALS LADY AURELIA BLED

By Blood-Horse Staff

Star Kentucky-bred filly Lady Aurelia will return to the United States for time off at co-owner Stonestreet Farm near Lexington after a scope following her first defeat in the Sept. 24 Cheveley Park Stakes (Eng-I) revealed she bled.

The 2-year-old daughter of Scat Daddy entered Newmarket's Cheveley Park unbeaten in three career starts, but after setting the pace showed signs of tiring in the final 50 yards and was passed in the final strides by winner Roly Poly and runner-up Brave Anna, finishing third as the 4-6 favorite.

"It was a head-scratcher and disappointing," Ward told England's Press Association about the loss, "but when we got back to the barn, the vet scoped her and she ended up having bled with a score of three out of five, which, in a group I, is enough to get you beat, probably. At least it's a bit of an answer as to the reason why she didn't kick on that last little bit of the race."

Lady Aurelia (left) suffered her first defeat, finishing third to Brave Anna (right) and Roly Poly (middle) in the Sept. 24 Cheveley Park Stakes

Ward said Lady Aurelia will stay at Stonestreet about 90 days and return to him early next year. Initial plans call for a start in the Commonwealth Cup (Eng-I) at Royal Ascot, where after winning her April debut at Keeneland, she impressively took the Queen Mary Stakes (Eng-I) in June before landing the Prix Morny (Fr-I) Aug. 21 at Deauville one start prior to the Cheveley Park. **BH**

## BELIEVE YOU CAN HALF SISTER SCORES FIRST WIN

By Mary Reeder

Brereton Jones' homebred Cause She's Fast, a Creative Cause half sister to 2012 Kentucky Oaks (gr. I) winner Believe You Can, defeated six other maiden juvenile fillies Sept. 25 at Laurel Park to get her first score in her second start.

Cause She's Fast broke with the leader from post 6 but was taken back to midpack while She's Achange Too set moderate fractions. Making progress on the the far turn, Cause She's Fast edged up to get past the leader coming off the turn with pressure from Natural Notion, who closed well to edge She's Achange Too for second by a head.

Trained by Larry Jones, Cause She's Fast won by one length and covered six furlongs 1:13.04 on a fast track.

Cause She's Fast and Believe You Can are out of the unraced El Prado mare El Fasto. Believe You Can (Proud Citizen), who also won the Fair Grounds Oaks (gr. II) and the Tempted Stakes (gr. III), was consigned

to the 2014 Fasig-Tipton Kentucky November mixed sale in foal to Tapit, but did not reach her reserve price on a final bid of \$4.9 million.

Cause She's Fast posted a bullet half-mile breeze at Delaware Park Sept. 16, going :47 4/5, the best time of eight moves at the distance that day. She made her debut at Delaware Park Aug. 25, finishing sixth going 7 1/2 furlongs on the turf. **BH**

## CALIFORNIA CHROME ARRIVES AT SANTA ANITA

By Blood-Horse Staff

California Chrome steps off a van at Santa Anita Sept. 25 where he will contest the Oct. 1 Awesome Again Stakes

California Chrome, North America's all-time leading money earner, arrived by van at Santa Anita Park Sept. 25 to begin final preparations for the \$300,000 Awesome Again Stakes (gr. I) Oct. 1, the final major steppingstone to the \$6 million Breeders' Cup Classic (gr. I) Nov. 5.

Owned by California Chrome LLC, a partnership consisting of Perry and Denise Martin, Taylor Made Farm, and several prominent breeders, the 5-year-old California-bred son of Lucky Pulpit has earnings of \$13,252,650 and will be in search of his sixth consecutive victory on Saturday.

"He doesn't mind traveling, that's for sure," said assistant trainer Alan Sherman, following California Chrome's 34-mile freeway trek from his home base at Los Alamitos Race Course. "He'll jog tomorrow on the main track and we'll go out with him at about 7 (a.m.)."

Fresh off a five-length score in the Pacific Classic (gr. I) Aug. 20 at Del Mar, California Chrome began his current five-race winning streak at Santa Anita Jan. 9, with an impressive victory in the San Pasqual Stakes (gr. II).

Tentative plans call for the chestnut horse to conclude his racing career by running in the \$12 million Pegasus World Cup (gr. I) at Gulfstream Park Jan. 28.

Following the Pegasus World Cup, California Chrome is expected to begin stud duty at Taylor Made in Kentucky. **BH**

## LA CRESSONNIERE TO MISS ARC

By Blood-Horse Staff

Unbeaten dual French classic-winning filly La Cressonniere will bypass the Prix de l'Arc de Triomphe (Fr-I) Oct. 2 at Chantilly after suffering a mild setback, trainer Jean-Claude Rouget said.

The Le Havre filly was highly regarded for the Arc, with only Roger Varian's multiple group I winner Postponed topping her in the pre-race market.

Unbeaten in eight starts for owners Ecurie Antonio Caro and Gerard Augustin-Normand, La Cressonniere was pointed to Europe's premier middle-distance race off victories in the Prix de Diane Longines (Fr-I, French Oaks) and Poule d'Essai des Pouliches (Fr-I, French One Thousand Guineas) this spring, followed by a two-length triumph in her Arc prep, the Prix de la Nonette (Fr-I) Aug. 23 at Deauville.

"There is a problem. Not a very strong problem, but we had to do treatment and that means we cannot run her on Sunday," Rouget told Press Association Sport. "It's not very important for the future, but enough for her not to run on Sunday."

"We don't know exactly what it is. She has to go to the topography and so on to have it checked it out. The problem is towards the back." **BH**

## BENSON GETS FIRST CHURCHILL WIN AS TRAINER

By Blood-Horse Staff

Trainer Liam Benson, a 21-year-old student at the University of Louisville's Equine Industry Program, saddled his first Churchill Downs winner in the Sept. 24 opener with Expected Ruler, who also gave the trainer his first stakes victory in last year's Tyro Stakes at Monmouth Park.

"It was a lot of fun especially since we had a lot of people over from U of L fill up the winner's circle," Benson said. "The horse ran unbelievable. I had a feeling that he was sitting on that race. It was just a matter of getting the race to go and getting a clean trip. (Jockey) Didiel (Osorio) gave him a great ride."

The 3-year-old son of Leroidesanimaux entered Saturday's race off a close fourth in Saratoga's Quick Call Stakes on Aug. 4 where he was 1 3/4 lengths behind Holding Gold. His last victory came at Keeneland in April against allowance company.

"It was definitely a confidence booster for him," Benson said. "I don't have the slightest idea what we're going to do next. We're kind of limited with the whole

turf sprint thing. He might end up on the dirt at some point going short. He's more likely to go short on the dirt than long on the turf anytime soon. He's nominated to the (\$150,000) Woodford Stakes gr. III, Oct. 8, at Keeneland, but 14 days is a little tight for what I would like. (Saturday's) race didn't take anything out of him though. I gave him a little more than a full feed (Saturday) night and he devoured it." **BH**

## NIGHTFLOWER WINS SUCCESSIVE EUROPA

By Myra Lewyn

Jurgen Imm's homebred Nightflower captured the Preis von Europa (Ger-I) for the second successive year Sept. 25 at Cologne.

Andrasch Starke coaxed a powerful, sustained rally through the final furlong from the 4-year-old Dylan Thomas filly, who collared brief leader Red Cardinal with 50 yards to run and edged past to win by three-quarters of a length.

Nightflower landed last year's edition of the race by a length from Sirius, who was never a factor this year, finishing seventh of eight runners, while 2016 German Oaks (Ger-I) victress Serienholde came in last.

Nightflower was timed in 2:29.30 for 2,400 meters (about 1 1/2 miles) on turf rated good. Trained by Peter Schiergen, the filly's 14 starts are topped by three wins, including the 2015 Diana-Trial (Ger-II), and seven seconds, four of which came in group I company, most notably two editions of Germany's top race, the Grosser Preis von Baden, in 2015 behind Prince of Gibraltar and Sept. 4 behind Iquitos.

Iquitos could have stamped himself as Germany's top middle-distance runner with a win Sunday, but after a bump at the start and a collision with an opponent, he raced at the back of the field and never got into contention.

Three-year-old filly Kasalla made the lead early, with David Simcock's British raider Red Cardinal chasing the leader and Nightflower close up. Red Cardinal bid for command 300 meters out, then switched to the inside for a clear run and took charge 100 meters out, but Nightflower came on too strong. Kasalla kept on for third, just a short head back.

Nightflower was bred in Ireland by Imm's Stall Nizza. Her dam is 2009 Oaks d'Italia (Itly-II) winner Night of Magic, by Peintre Celebre.

Elsewhere in Europe Sunday, Philippe Bellaiche's Waikika landed her first top-level victory in the Premio Vittorio di Capua (Itly-I) at San Siro racecourse in Milan, edging Charlie Hills' British-based Jallota by a neck.

Ridden by Gerald Mosse for trainer Yann Barberot, French-bred Waikika covered 1,600 meters (about one mile) in 1:34 on turf rated good after overhauling pacesetter Kapersky nearing the final furlong. She stayed on under pressure from Mosse and was always holding the runner-up. Kapersky held for third, another three-quarter of a length back.

Five-year-old Waikika, a minor stakes winner in France who was previously twice group III-placed at Deauville, is by Whipper from the Green Tune mare Fruhling Feuer. Barberot plucked her from the 2012 Arqana October yearling sale for €15,000 (\$19,535), where Haras d'Etreham presented her as agent. She was bred by Pontchartrain Stud and Revilo Park Stud. **BH**

## TAPIT ON TRACK FOR THIRD EARNINGS RECORD

By Eric Mitchell

**G**ainesway's Tapit is on a solid track to set a third consecutive, single-season progeny earnings record.

The 15-year-old son of Pulpit—Tap Your Heels, by Unbridled, is 10.7% ahead in Northern Hemisphere total progeny earnings through Sept. 22 than he was on the same date last year. He has accumulated \$16,160,742 so far this year compared with the \$14,601,523 in purses his runners earned at this time a year ago.

Tapit first shattered the single-season record for North American-based stallions in 2014 when his runners earned \$18,650,956, which was 28.8% more than the previous record of \$14,481,242 set by Smart Strike in 2007. Tapit broke his own achievement handily in 2015 when his runners earned \$19,132,708 in Northern Hemisphere races.

It should be noted that the total earnings used in this analysis are updated from when these single-season records were originally reported because of delays in reporting of results from various countries. Tapit's earnings shortly after the end of 2015 were just over \$18.65 million. Though the single-season bar has been set a bit higher at \$19.1 million, Tapit is on pace to exceed \$20 million in progeny earnings by the end of the year.

By Sept. 22 in 2014 Tapit runners accumulated 87.4% of the total purse money they would earn by end of the year. On the same date in 2015 Tapit's progeny earned 76.3% of their eventual total earnings. Through Sept. 22 this year, Tapit's progeny earnings are 81% of \$20 million.

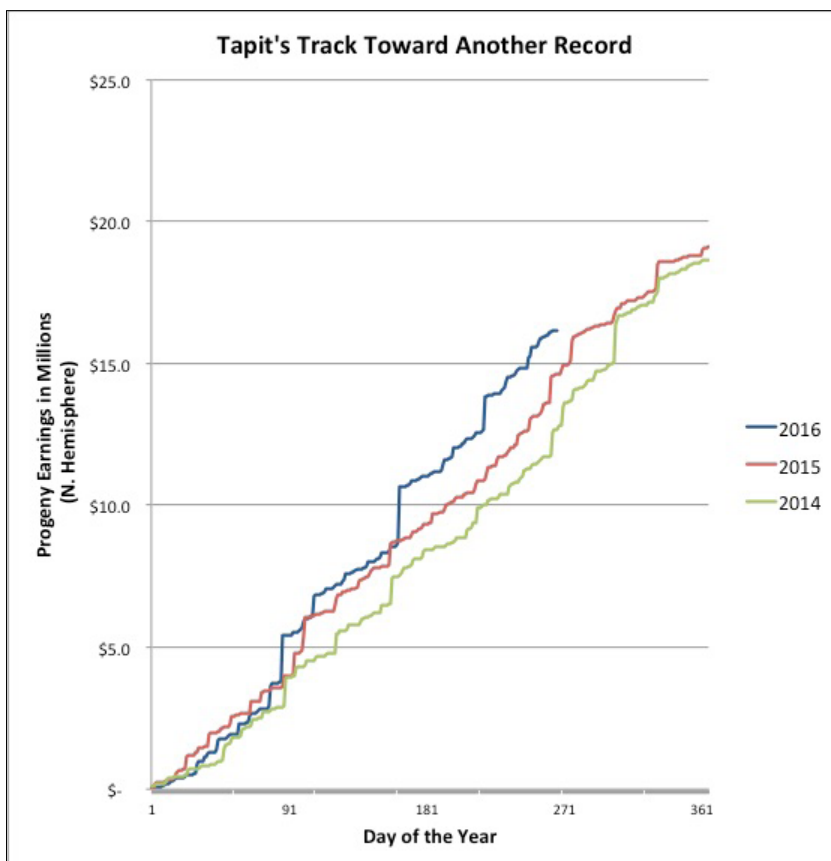

All earnings totals used here

SKIP DICKSTEIN

Tapit's 2016 chief earner Frosted winning the Whitney Handicap (gr. I)

are Northern Hemisphere-only earnings reported to The Jockey Club Information Systems and are derived from direct conversions from native currency to U.S. dollars. Some differences will be seen on *BloodHorse* sire lists, which adjust earnings from Hong Kong, Japan, and Singapore because of the large disparity in purse value relative to race quality. **BH**  **Share this story**
