MISS TEMPLE CITY SCORES IN THE MATRIARCH

By Jeremy Balan

[@BH_JBalan](#)

Miss Temple City added to her already impressive résumé as a turf miler Dec. 4 in the \$300,000 Matriarch Stakes (gr. IT) at Del Mar.

Already a two-time winner at the top level against males in the Maker's 46 Mile Stakes (gr. IT) and Shadwell Turf Mile Stakes (gr. IT), she bested her own sex on Del Mar's closing day.

The Temple City filly assumed command late in the turf test and outlasted a closing drive from Roca Rojo to win by a nose. Longshot pacesetter Stays in Vegas was another head back in third, after setting fractions of :23.51, :48.09, and 1:12.68 through six furlongs. Seven furlongs went in 1:23.68 as Stays in Vegas dug in on the inside and Miss Temple City finished off the mile in 1:35.16.

"I had a little bit of a sick feeling in my stomach when they hit the wire," winning trainer Graham Motion said. "I was a little bit worried at the top of the stretch, as well. I think we were a little too cute with her earlier in the year, trying to get her covered up and take too much of a hold on her. She's got a lot of natural speed and the key is to get her settled."

With the outside post in the field of 11, jockey Edgar Prado got Miss Temple City out of the gate well and maneuvered her into the

ideal stalking position heading into the first turn.

"The trick with her is to get her to settle early," Prado said. "We got a good spot early and in the first eighth of a mile, she was relaxed. She was just going easy. We turned for home and I asked, and she was there. I had some extra and I needed it. She's a special horse."

It was the third graded stakes win for Motion during the short Del Mar meet, following Ring Weekend's victory in the Seabiscuit Handicap (gr. IIT) and Journey Home's score in the Jimmy Durante (gr. IIIT).

"It's really gratifying to end the year this way," Motion said of Miss Temple City's campaign. "I hated to see her getting beat all the time. She had a rough patch in the summer. Hopefully we'll be here at this time next year."

As for Roca Rojo, jockey Florent Geroux said a moment of hesitation may have cost her the victory.

"She hesitated on me—just for a second," Geroux said. "Then she

Miss Temple City, with Edgar Prado up, wins the Dec. 4 Matriarch

picked it up and went. But that little bit might have cost us the race. She ran great, but I think we could have won today."

Mexican Gold finished an even fourth, followed by Zindaya, Time and Motion, Tiz a Kiss, Prize Exhibit, Nancy From Nairobi, Kitcat, and Sobradora Inc, to complete the order of finish.

Bred in Kentucky, out of the Artax mare Glittering Tax, Miss Temple City now has a 6-3-2 record from 16 starts and \$1,453,038 in earnings for owners The Club Racing, Needle In A Haystack, and Sagamore Farm. **BH**

BANGKOK PULLS UPSET IN VALEDICTORY

By Erin Shea

[@BH_EShea](#)

Gail Wood and Dr. Ruth Barbour's homebred and longshot Bangkok nabbed odds-on favorite Melmich at the wire to win the Valedictory Stakes (Can-III) Dec. 4 at Woodbine.

Decision Day went for the early lead with last year's Valedictory winner Melmich, Bangkok, and Ethical Funds tracking close in the 1 3/4 mile event. Setting a leisurely pace, Decision Day lead throughout the first of three turns and Melmich inched up as the field went by the wire for the first time, the pair set fractions of :26.31, :52.23, 1:17.34, and 1:42.24 through a mile on the all weather track.

Decision Day and Melmich battled it out on the backside. Bangkok continued to stalk the front runners as the field began to bunch up into the turn for home. Melmich started to pull away into the stretch but couldn't escape a surge from Bangkok, under jockey Emma-Jayne Wilson, who nabbed the favorite in the final stride to win by half a length. The final time was 2:59.88.

Ethical Funds finished third by a neck over English Illusion in fourth. Mutasaawy, Aldous Snow, and Decision Day rounded out the field.

"We were going to be really happy with second, but he just kept on running," Bangkok's trainer W. Phillip Gracey said. "He's a nice, little horse."

With post-time odds of 17-1, Bangkok returned \$37.60, \$7.40,

and \$4.40 across the board. Melmich paid \$2.40 and \$2.10, while Ethical Funds was worth \$6.70.

The win was the fourth Valedictory score for Wilson and the first graded stakes victory for Bangkok, whose record is now 4-3-3 from 25 starts, with earnings of \$288,704. Wilson won the 2006 edition with Marsh Side, the 2012 running with Heathcote, and guided Turkish to victory in 2014.

"I've had a little bit of luck in this race," Wilson said. "It's one of my favorites races to ride. It takes a horse with a lot of stamina to get it done and Bangkok had that today. It was a big effort and I'm really happy for the owners and the trainer."

The 5-year-old son of Street Hero—Get It Straight, by Black Minnaloushe, had never raced in graded company before. The gelding entered off a third behind Aldous Snow in a Nov. 11 allowance race at 1 5/8 miles at Woodbine. Racing on both turf and synthetic this year, his only other win came in a June 17 claiming race on the grass also at Woodbine.

Bred in Ontario by his owners, Bangkok was a \$9,500 RNA at the 2012 Fasig-Tipton Kentucky fall yearling sale. **BH**

LAOBAN TO MAKE COMEBACK IN HARLAN'S HOLIDAY

By BloodHorse Staff

Laoban, the 27-1 upset maiden winner of the 2016 Jim Dandy Stakes (gr. II), posted a five-furlong workout in 1:00.41 at Gulfstream Park Dec. 4.

Jockey Paco Lopez was aboard for the work, which was the second-fastest of 22 at the distance.

Eric Guillot, Laoban's trainer and co-owner, said the \$100,000 Harlan's Holiday (gr. III) Dec. 17 is the next target for the son of Uncle Mo. He has not raced since finishing 12th in the Travers (gr. I) at Saratoga Race Course, shortly after which he had surgery to remove a displaced ankle chip.

"Paco didn't even move his hands. He could have gone in :59 flat, easily," said Guillot, who is wintering in Florida for the first time. "I think the Harlan's Holiday is a good race to come back in, with it being a mile and a sixteenth. I will get a three-quarter work into him next Saturday at Palm Meadows and we should be ready to go."

COADY PHOTOGRAPHY/KEENELEND

Laoban hasn't raced since the Travers

Guillot hopes Laoban's effort in the Harlan's Holiday might spark interest from someone with a slot in the \$12 million Pegasus World Cup Invitational (gr. I) Jan. 28.

"If a slot comes available from someone who can negotiate a good deal, it would make sense for me to take the money," Guillot said. "And you know, I'm all about taking chances." **BH**

Winning on debut to become the first winner for his sire, Chance of Luck is now the first black-type winner as well

SKIPSHOT GETS FIRST BLACK-TYPE WINNER

By Jeremy Balan

[@BH_JBalan](#)

J J Brevan Stable's Chance of Luck dug in late to win the \$100,000 Inaugural Stakes Dec. 3 at Tampa Bay Downs and become the first black-type stakes winner for sire Skipshot.

Skipshot, a son of Skip Away who won the 2010 Swaps Stakes (gr. II) at Hollywood Park, stood for a 2016 fee of \$7,500 at Considine Farm in Kentucky. His 2017 fee remains the same.

In the six-furlong Inaugural Saturday, Chance of Luck raced four wide in the backstretch, close to the lead, and moved by the frontrunners three-wide in the turn under jockey Erick Rodriguez.

The 2-year-old gray or roan colt trained by Gerald Bennett kicked away from the field and held a 2 1/2-length lead with a furlong to run, but got a late challenge from Dont Come Knockin on the outside. Chance of Luck dug in under pressure and prevailed by a head. He finished the six furlongs in 1:10.84.

Bred in Kentucky by Mikhail Yanakov, out of the Alphabet Soup mare Winning Chance, Chance of Luck is now undefeated in two starts. He debuted with a 5 1/2-length score in a seven-furlong maiden claiming race at Laurel Park in October at 21-1 odds.

J J Brevan Stable purchased the colt for \$6,500 out of the Ocala Breeders' Sales Company's June 2-year-olds and horses of racing age sale in 2016. **BH**

PACO LOPEZ GETS WIN 2,000

By BloodHorse Staff

Jockey Paco Lopez registered his 2,000th victory aboard Yourdreamsormine in the ninth race Dec. 4 at Gulfstream Park.

Lopez, 31, entered the card with 1,999 wins, after he was blanked from seven mounts Dec. 3. He rode five losers Sunday before reaching the winner's circle on the Milton Wolfson-trained Yourdreamsormine, who is owned by N. T. S. Stable.

After receiving a warm reception from his fellow riders, who gathered around him for a celebratory photograph, Lopez admitted he was relieved to have finally reached the milestone after some frustrating moments.

"I tried it yesterday—I had some favorites—and I tried today, and I finally did it," a beaming Lopez said.

His victory aboard Yourdreamsormine was Lopez's 243rd of the 2016 season, during which his mounts have earned more than \$9 million in purses.

Lopez was the leading apprentice at Gulfstream Park in 2008, a year after arriving in the U.S. to ride in South Florida, and went on to be honored with an Eclipse Award as the nation's leading apprentice. He won the Gulfstream Championship Meet title in 2010.

Lopez was born on a farm in Veracruz, Mexico and began riding Quarter Horses after leaving home at the age of 12. He ventured to the U.S. nine years later

LAUREN KING

Paco Lopez was beaming aboard Yourdreamsormine who brought him to his milestone win

in hopes of becoming a Quarter Horse jockey. A year later, he began to exercise Thoroughbreds at Palm Meadows, Gulfstream's satellite training center in Palm Beach County, and won his first race in the U.S. July 13, 2007 at Calder Race Course, where he captured several riding titles.

Lopez, who thanked his longtime agent Cory Moran, said it was meaningful for him to win his 2,000th for the South Florida-based Wolfson.

"I feel great about winning it for people from Miami," the rider said. "I try for everybody but I feel they are my people because I got my start in Miami." **BH**

SOUND TRUE UPSETS AWARDEE IN CHAMPIONS CUP

By Mary Reeder

[@BH_MRreeder](#)

Third-place in the 2015 edition of Japan's Champions Cup (Jpn-I), Sound True came flying from near the back of the field Dec. 4 to win this year's contest in the final strides over Kentucky-bred favorite Awardee.

Awardee, stablemate and half brother to this year's Belmont Stakes (gr. I) third-place finisher Lani, was unbeaten in six starts since trainer Mikio Matsunaga switched the 6-year-old to the dirt.

Sound True settled into the back of a stretched out field in the 1,800 meter (about 1 1/8-mile) race, with Lani just in front of him, while Monde Classe set a fast pace. Sound True made his way up the rail, saving ground around the final turn and then switched to the outside in the lane.

The 6-year-old French Deputy gelding picked up momentum and shot past the leaders getting up in the final strides to win by a neck.

Sound True (#8) gets up to win over favored Awardee (#2) in the Champions Cup

Sound True won the 2015 Tokyo Daishoten (Jpn-I) and placed third behind Awardee in his last two starts. The Champions Cup, formerly known as the Japan Cup Dirt, was his second score at the highest level and first win of the season for owner Hiroshi Yamada.

Bred by Okada Stud, Sound True is out of the winning mare Kyoei Truth. **BH**

TURF SHIFT IN GRADED STAKES

By Eric Mitchell

 @BH_EMitchell

The total number of graded stakes in the United States has not changed much since 2012 but the complexion of those races has taken a decided shift toward turf.

Last week the American Graded Stakes Committee announced the graded stakes assignments for 2017.

Next year will feature 107 grade I stakes (14% of all stakes eligible for graded or listed status), 128 grade II stakes (16%), and 229 grade III stakes (29%).

The total number of graded stakes for 2017 is 464, only one less than the number of graded stakes offered in 2012. All graded stakes for next year, however, will make up a smaller percentage of all eligible stakes than they did in 2012—59% for 2017 versus 71% in 2012. The total number of grade I stakes has dropped to 107 from 112 over the past five years, while the number of grade II stakes has also dropped to 128 from 151. The number of grade III stakes is higher, having risen to 229 from 202 in 2012.

Among all the graded stakes, turf racing is developing a bigger presence. Next year in the U.S. 41% of all graded stakes will be run on grass compared with 37% of U.S. graded stakes in 2012. The most growth in graded turf stakes has been at the grade III level, of which 103 were approved for 2017 compared with 85 in 2012. Turf races now make up 45% of all grade III stakes, up from 42% in 2012.

The New York Racing Association racetracks (Belmont Park, Saratoga Race Course, and Aqueduct Racetrack), Santa Anita Park and Del

2012 Graded Stakes

Races	Count	Percent	Change	Dirt	% Dirt	Turf	% Turf	AW	% AW

All Graded	465	71%	-9	227	49%	174	37%	64	14%
All Eligible Races	659								

2017 Graded Stakes

Races	Count	Percent	Change	Dirt	% Dirt	Turf	% Turf	AW	% AW
Grade I	107	14%	-2	72	67%	35	33%	0	0%
Grade II	128	16%	-5	77	60%	50	39%	1	1%
Grade III	229	29%	7	121	53%	103	45%	5	2%
All Graded	464	59%	0	270	58%	188	41%	6	1%
All Eligible Races	790								

Mar collectively, as well as Gulfstream Park all offer at least five additional graded turf stakes in 2017 compared to what they offered in 2012.

Santa Anita and Del Mar assumed many of the turf stakes previously run at Hollywood Park, but even in 2017 will offer 58 graded turf stakes compared with the 53 offered in 2012 by Hollywood Park, Santa Anita, and Del Mar combined. NYRA raises its number of graded turf stakes to 39 for 2017, up from 34 in 2012; while Gulfstream Park will offer 18.

The growth of racing in Maryland due to new revenue from casinos is having an effect as well with Laurel Park awarded three graded turf stakes next year as compared with 2012 when it did not run any.

It should be noted that the percentage of graded stakes on dirt has grown as well but is a direct result of the replacement of many artificial racing surfaces. In 2012 the U.S. offered 64 graded stakes at tracks with a synthetic main track, with 16 of those races carrying grade I status. Next year, only six graded stakes will be run on a synthetic surface and none will carry grade I status. **BH**

IMPROVING THE LIVES OF HORSES

“ I support Grayson-Jockey Club Research Foundation because it is both a line of defense and an aggressive front line on behalf of the horse. Grayson researchers are seeking ways to protect horses from injury or illness, while at the same time other projects are designed to create better treatment when injury and illness do occur. ”
