ALWAYS DREAMING RUNS AWAY WITH FLORIDA DERBY

By Claire Novak

[@BH_CNovak](#)

Maryellen Bonomo has a knack for naming runners.

As the lithe dark bay colt she christened Always Dreaming took a massive jump up in class April 1 at Gulfstream Park, the horse's co-owner and wife of Brooklyn Boyz Stable principal Anthony Bonomo—and all the various partners who have hitched their wagon to Always Dreaming's shooting star—saw those dreams come true in the form of a five-length score in the \$1 million Xpressbet Florida Derby (G1).

From the first crop of WinStar stallion Bodemeister, whose marketing slogan reads "'B' is for Brilliant," Always Dreaming dazzled in his graded stakes debut, punched his ticket to the Kentucky Derby Presented by Yum! Brands (G1), and gave trainer Todd Pletcher and jockey John Velazquez their fourth Florida Derby wins.

After tracking pacesetter Three Rules' opening fractions of :23.28, :47.08, and 1:10.75 in the 1 1/8-mile test, Always Dreaming took over from second and drew off to an easy score in a final time of 1:47.47 on a fast track. According to Gulfstream, he registered the fastest clocking since Alydar's 1:47 winning time in 1978.

Always Dreaming broke his maiden Jan. 25 at Tampa Bay Downs, and followed up March 4 with a 1 1/8-mile optional-claiming allowance win at Gulfstream that served as his prep for the Florida

Jubilant connections lead Always Dreaming into the Gulfstream Park winner's circle

Derby, where he picked up 100 points to rank third on the Kentucky Derby leaderboard.

"That's why we were here today, to hopefully get the points to go on," Pletcher said. "With two mile-and-an-eighth wins, and the way he galloped out today, I'm confident he'll get the trip.

"I think the whole program really helped today. We brought him along gradually, opted for the allowance race on Fountain of Youth day, and I think all that paid off. The horse has been training exceptionally well and we were confident he was going to run as well as he's capable of, and thankfully he did.... That was a very impressive performance."

Multiple graded stakes winner Gunnevera, the even-money favorite in the field of 10, rallied from last but just managed third behind runner-up State of Honor.

"The horse wasn't comfortable in the beginning," trainer Antonio Sano said of Xpressbet Fountain of Youth Stakes (G2) winner Gunnevera. "He finished strong but the horses in the front weren't stopping.... I'm happy. This is an important race to win, but it was a good race for the next one."

State of Honor, who raced without blinkers after running second in the Lambholm South Tampa Bay Derby (G2), ranks fifth on the Kentucky Derby leaderboard with 62 points.

"He was rank and he calmed down a little bit," trainer Mark Casse said. "Maybe off of this race he will relax a little bit more. I wouldn't be surprised if you saw him in Kentucky."

The winner returned \$7.40, \$3.80, and \$2.60 at odds of 5-2. State of Honor paid \$4.80 and \$2.80, while Gunnevera brought \$2.10. Impressive Edge, Three Rules, Talk Logistics, Coleman Rocky, Unbridled Holiday, Charlie the Greek, and Quinientos completed the order of finish. Battalion Runner was scratched.

"I don't know what to say, because it's so exciting," Anthony Bonomo said. "All day you're nervous leading up to the race. It's your dream to run a race like this, and to win it is unbelievable. I don't know what to feel like anymore, except to know I'm elated."

"When we saw him making the turn, we knew he had a lot of horse, and we knew that's how he likes to run. We thought he had enough to come home and win, and there's nothing like watching your horse pass the finish line. It's exciting. It's really a great race. I'll think about (the Kentucky Derby) in about nine hours. Right now this was a great win and we're just thrilled. He's a good horse." **BH**

GIRVIN REIGNS IN LOUISIANA DERBY

By Alicia Wincze Hughes

[@BH_AHughes](#)

Joe Sharp knows full well what he's getting into. As a former assistant to trainer Mike Maker, the upstart conditioner got a taste of the madness that is the Kentucky Derby Presented by Yum! Brands (G1). There is nothing, however, that compares to throwing the saddle over a contender that is the product of one's own program on the first Saturday May.

And after the display of talent his protege Girvin put on in the \$1 million Twinspires.com Louisiana Derby (G2) April 1, Sharp will have a front-row seat to all the twists and turns that come with having a leading classic contender.

With his trainer screaming himself hoarse once again, Girvin surged up on the outside and solidified his status as one the main acts when the best sophomores gather five weeks from now, besting Patch by 1 1/4 lengths in the signature prep race at Fair Grounds Race Course & Slots.

Girvin's ascent to the forefront of a parity-filled 3-year-old male division is one that has come from the clouds. The son of Tale of Ekati came into the 1 1/8

mile-Louisiana Derby as the 6-5 betting choice off his breakout win in the Feb. 25 Risen Star Stakes (G2)—what was just the third start for the dark bay colt.

Where many well-regarded contenders have suffered setbacks in physical health or on-track form this season, Brad Grady's colt proved he was no one-hit wonder Saturday. He reeled in Local Hero after that one struck the front with about a furlong to go and continued to respond to jockey Brian Hernandez Jr.'s urging, adding 100 qualifying points on the Kentucky Derby leaderboard to the 50 he earned in the Risen Star.

"He's such a talented horse, and he puts a lot of confidence in you," said Hernandez, who departed shortly after the race to head to Lexington where he will work his other leading Derby contender, unbeaten McCracken, at Keeneland April 2.

"He makes you have confidence in him and he has enough athletic ability that he can put me in a good spot. When I saw Local Hero settle the way he did (in third) in wanted to give (Girvin) a target. Turning for home, he got to swapping leads back and forth some but he's going to improve off of this. It's great to win this race, for sure."

In an effort to make sure his stable star had an honest enough pace to run at, Sharp also entered longshot Hotfoot in the Louisiana Derby. That one did his part on the front end, breaking from the outside post in the nine-horse field and hustling to the front to cut fractions of :23.46 and :47 while his stablemate tracked along fifth, next to eventual runner-up Patch.

After rating third down the backstretch, Local Hero made his move at the 98-1 pacesetter fading from his early exploits at the head of the lane. As well as Local Hero was traveling, Hernandez had his mount going that much better. Girvin wrested command inside the final furlong and edged clear in the final strides, hitting the wire in 1:49.77 over a track rated fast.

"It doesn't feel bad," Sharp, who went on his own in 2014, deadpanned when asked about having his own

leading Kentucky Derby contender. "He's a talented horse and we're just enjoying the ride."

Patch rallied up the rail to get place honors over Local Hero, who nosed out Hollywood Handsome for third. Sorry Erik completed the top five. Girvin paid out \$4.60, \$3, and \$2.40 across the board.

Bred in Kentucky by Bob Austin and John Witte out of the Malibu Moon mare Catch the Moon, Girvin didn't debut until last December when he broke his maiden at first asking over the Fair Grounds surface. When plans to run in the Jan. 21 Lecomte Stakes (G3) went awry due to a quarantine situation at the track brought on by an outbreak of the equine herpesvirus, Sharp started Girvin back on turf in the Keith Gee Memorial Overnight Stakes Feb. 4 where the colt finished a good second in a stepping stone to his two-length Risen Star triumph.

In addition to his divisional-leading 150 qualifying points, Girvin improved his mark to three wins from four starts with \$874,400 in earnings. He was purchased for \$130,000 by Grand Oaks at the 2015 Fasig-Tipton Kentucky fall yearling sale. **BH**

FARRELL STROLLS IN FAIR GROUNDS OAKS

By Evan Hammonds

[@BH_EHammonds](#)

There's little doubt about who is this year's Queen of New Orleans. It's Farrell.

The Malibu Moon filly easily won the \$400,000 Twinspires.com Fair Grounds Oaks (G2) April 1 to add to her Feb. 25 Rachel Alexandra Stakes (G2) and Jan. 21 Silverbulletday Stakes victories at Fair Grounds Race Course & Slots.

"She's done everything we've asked her to do," trainer Wayne Catalano said.

Regular rider Channing Hill was aboard in the Oaks for New Orleans native Catalano, and breeders Bob Cummings and Annette Bacola (Coffee Pot Stable). Farrell covered 1 1/16 miles in 1:43.67, winning by 3 1/4 lengths over 16-1 chance Wicked Lick. Vexatious came in third.

Only six went postward, as Majestic Quality and Summer Luck were scratched. After taking the Rachel Alexandra gate to wire, Farrell was forced to track the pace early in the Oaks while being asked to travel three wide on both turns. Daria's Angel took the early advantage

and set an opening quarter in :24.09 and a half in :47.55 while tracked by Vexatious and Farrell.

Hill's hands were still as Farrell made her way to the lead on the final turn, and as they straightened out in the lane, Hill was still tall in the saddle. He asked at the eighth pole and she was able to further separate herself from the pack. After a mile in 1:36.98, it only took Farrell :06.69 to hit the wire.

"She's terrific," Hill said. "She was so calm before the race and she proved today she can do just about anything."

Farrell paid \$2.80, \$2.40, and \$.210. Wicked Lick paid \$6.20 and \$280 and Vexatious paid \$.220.

Farrell was foaled and raised at Beau Lane's Woodline Farm near Paris, Ky., and she is out of the Unbridled's Song mare Rebridled Dreams. She is a half sister to grade 1-winning WinStar Farm stallion Carpe Diem and the grade 1-winning J B's Thunder.

Farrell closed out her 2-year-old campaign with a score in Churchill Downs' Golden Rod Stakes (G2). She has a 5-0-1 mark from seven starts and has earned \$601,357. The Fair Grounds Oaks victory placed her firmly atop the standings on the Kentucky Oaks leaderboard, where she has 170 points. **BH**

SALTY IMPRESSIVE IN GULFSTREAM PARK OAKS

By Claire Novak

[@BH_CNovak](#)

Far back on maiden winner Salty headed to the three-quarters point in the \$250,000 Gulfstream Park Oaks (G2), Joel Rosario had a call to make.

He could feel the frontrunners getting away from him, and his even-money favorite had ground to make up from her tracking position in fifth, so the jockey put his mount to the test—and Salty responded, dashing past her competition with a sweeping outside move and driving away to a 4 1/4-length victory.

"I was a little concerned, and even Joel said maybe he moved a little quick," trainer Mark Casse said. "He didn't realize how hot the pace was, but he saw them getting away from him and he put her in a drive three-quarters of a mile out. That's a tough thing to do with a filly making her first start around two turns, but that just shows you how good she is."

A daughter of Quality Road who was bred in Kentucky by Prince Farm and Selcusive Farm out of the Dixie Union mare Theycallmeladyluck, Salty made her first appearance at the races Feb. 4 with a runner-up finish at Gulfstream Park. She caught Casse's attention that afternoon, and he pursued a private purchase with owner Gary Barber, who now

COGLIANESE PHOTOS

owns the filly in partnership with Baccari Racing Stable and co-breeder Chester Prince. Salty broke her maiden for those connections at second asking going seven furlongs March 5.

From maiden winner to Longines Kentucky Oaks (G1) prospect, the talented bay picked up her first graded stakes score in her stakes debut, and earned 100 points on the Road to the Kentucky Oaks. That's where Casse confirmed she's headed next.

Nonna Bella was the one who showed the field of eight through the first three-quarters of the 1 1/16-mile Gulfstream Oaks. The Stay Thirsty filly set opening fractions of :23.26 and :46.72 before fading to fourth. Jordan's Henny took a brief lead through three-quarters in 1:10.77, but Salty quickly took

over and widened her advantage through a 1:35.96 mile, finishing in a final time of 1:42.91 on a fast track.

"I thought that there would be some speed, and it was exactly how it happened," Rosario said. "I got her going a little early because of the first wire. She responded very, very nice. The more you ride her the more she keeps giving it to you. I felt confident in the last turn when she was trying to get up and getting close to the leader."

Salty returned \$4, \$2.80, and \$2.20, runner-up Tequilita brought \$3.40 and \$2.80, and Jordan's Henny paid \$3.20 to complete the trifecta. After Nonna Bella came Modacious, Conquest Sorcerer, Spring Mist, and Shezaprado. Summer Luck was scratched. **BH**

ARROGATE RETURNS TO SANTA ANITA PARK

By BloodHorse Staff

Juddmonte Farms' world champion Arrogate returned to his Santa Anita Park base the afternoon of April 1 looking amazingly fresh, considering he'd just come out of quarantine at Los Angeles International Airport following a roughly 20,000 mile round-trip trek to Dubai.

The raiding trip, which resulted in a sensational 2 1/4-length win in last Saturday's \$10 million Dubai World Cup Sponsored by Emirates Airline (G1), came on the heels of Arrogate's \$12 million Pegasus World Cup Invitational Stakes (G1) victory at Gulfstream Park Jan. 28.

"He's a little fresh," Hall of Fame trainer Bob Baffert said. "We'll back off of him for about 30 days. We'll train him, but he won't breeze for 30 days. He tells us what he wants to do. We'll have to do something with him."

SANTA ANITA PARK

Arrogate is the richest Thoroughbred in North American racing history

"He'll run in the Pacific Classic (grade 1, Aug. 19 at Del Mar) and then the Breeders' Cup Classic (grade 1, Nov. 4) down there. He might run one time before that."

The 4-year-old son of Unbridled's Song has rattled off seven consecutive wins, his last four in grade 1 stakes, and is North America's all-time leading

money earner with a bankroll of \$17,084,600.

"I've been praying since the race was over to get him back home," said Hall of Fame jockey Mike Smith. "He had so much turbulence in the race, he didn't need any in the air." **BH**

HONORABLE DUTY RUNS THEM DOWN IN NEW ORLEANS HANDICAP

By Alicia Wincze Hughes

[@BH_AHughes](#)

Last fall, trainer Brendan Walsh saw a horse whose mind was getting in the way of his physical progression. Since undergoing the ultimate attitude adjustment, Honorable Duty has refused to let another rival block his path to the winner's circle.

DARRS Inc's Honorable Duty recorded his third consecutive stakes win in as many starts since being gelded last year, running down an extremely game Breaking Lucky by a neck in late stretch to capture the \$400,000 New Orleans Handicap (G2) at Fair Grounds Race Course & Slots April 1.

In adding the 1 1/8-mile New Orleans Handicap to his resume, 5-year-old Honorable Duty completes a sweep of the Fair Grounds stakes for older horses, having previously captured the Tenacious Stakes last Dec. 17 and earning his first graded score in the Mineshaft Handicap (G3) Feb. 25. His current form also validates the hard decision his connections had to make after he finished fifth in the Lukas Classic Stakes at Churchill Downs last October.

By Distorted Humor and out of the A.P. Indy mare Mesmeric, a daughter of Juddmonte Farms' blue hen producer Toussaud, Honorable Duty showed flashes of ability, but could not get himself together enough to progress to the next level. After taking five tries to break his maiden, he reeled off three straight victories

HODGES PHOTOGRAPHY/LOU HODGES, JR.

Honorable Duty catches Breaking Lucky to win the New Orleans Handicap

but was then off the board in his two tries against stakes company.

"He's always been a horse that had a ton of talent, but his mind was getting in the way of him," Walsh said. "He was getting to the point where he wasn't going to advance without doing it."

On Saturday, the bay gelding flaunted once more how much he has improved during his time in New Orleans.

As Breaking Lucky cut fractions of :23.50 and :46.63 with Iron Fist at his neck and grade 1 winner Noble Bird traveling on the inside path next to Aglimpseofgabby, Honorable Duty was more than seven lengths behind that quartet in fifth, getting some patient handling from jockey James Graham. As the nine-horse field came off the final turn, Breaking Lucky had dismissed Iron Fist and was kicking on bravely under Luis Contreras, seemingly poised to earn his first graded stakes win on dirt.

Having advanced past some tiring foes coming into the lane, Honorable Duty was angled off the

rail by Graham and dug in under right-handed urging to get his neck down in the final strides en route to stopping the teletimer in 1:48.35 over a fast track.

"He's actually getting better and better every start," Graham said. "He got away from me in the second turn and they caught him a little flat footed, but when I picked him up and asked him to run, he ran all the way to the wire."

Sent off at 8-1 odds, Honorable Duty paid out \$18.80, \$8, and \$4.60 across the board.

The top two were five lengths clear of Iron Fist in third, while veteran Eagle ran on to finish fourth as Hawaakom rounded out the top five.

Noble Bird, the 9-5 favorite, folded up in the stretch and came home sixth. Roman Approval was a scratch.

Bred by Juddmonte and purchased by David Ross for \$130,000 at the 2015 Keeneland November breeding stock sale, Honorable Duty improved his record to six wins from 12 starts with \$501,276 in earnings. **BH**

SADLER'S JOY WINS PAN AMERICAN AT WIRE

By Erin Shea

[@BH_EShea](#)

After just missing by a head his first graded stakes attempt last time out, Sadler's Joy had another close call April 1 at Gulfstream Park in the \$200,000 Pan American Stakes (G2T), but this time finished on top.

Woodslane Farm's homebred son of Kitten's Joy raced second to last in the eight-horse field over 1 1/2 miles on the firm turf, as Reporting Star broke well and maintained the lead through a mile, setting fractions of :24.15, :49.77, 1:15.54, and 1:40.42. Taghlee settled near the back of the pack for most of the race, with Mr Maybe trailing.

Around the final turn, longshot Designed for War pushed the pace, then took over the lead and maintained an advantage into the stretch. Taghleeb began to make a run on the inside as Patterson Cross and Sadler's Joy were flying on the outside. As the trio simultaneously rushed toward the wire, Sadler's Joy and jockey Julien Leparoux just got up in the final stride to secure the win by a head. Designed for War secured second, a neck over Patterson Cross. The final time was 2:26.89.

Taghleeb was another length back in fourth. Reporting Star, Snag, Montclair, and Mr Maybe completed the order of finish.

"I always knew this horse had a really good kick," trainer Tom Albertrani said,

adding that he will point the 4-year-old colt to the May 13 Man o' War Stakes (G1T) Belmont Park. "I got really excited the first time I ever saw this horse run, the way he finished, and it took him a couple of races to kind of put things together. All of sudden, once we got to Saratoga, he broke his maiden and came back with two more nice wins. We gave him a little time. We just felt this horse had a lot of potential."

Sadler's Joy returned \$9.40, \$5.60, and \$3.60 across the board. Designed for War paid \$12.40 and \$7.40, while Patterson Cross was worth \$3.

Sadler's Joy now boasts four wins from eight starts with \$302,968 in earnings, but his victory Saturday was his first graded stakes triumph. Bred in Kentucky, the chestnut colt is out of the Dynaformer mare Dynaire.

Last time out, Taghleeb got the best of him in the W. L. McKnight Handicap (G3T) Jan. 28 after Sadler's Joy went three wide into the stretch. Before that, he had three consecutive wins in New York, most recently a 1 1/2-length score in a Nov. 9 allowance optional claiming race at Aqueduct Racetrack. **BH**

CELESTINE ALL CLASS IN HONEY FOX

By Evan Hammonds

[@BH_EHammonds](#)

Moyglare Stud Farm's Celestine ran true to her 3-10 odds in the Honey Fox Stakes (G2T) April 1 at Gulfstream Park.

Jose Ortiz was aboard the daughter of Scat Daddy who covered the mile in 1:35.19. Mississippi Delta was 1 1/4 lengths back in second.

Celestine, whose first graded stakes score came in last year's Honey Fox, was bred by Deborah Holmes' Phoenix Rising Farm out of the Monarchos mare Mona Mia. She was purchased by Moyglare Stud Farm in November for \$2.55

million at the Keeneland November sale from the Taylor Made Sales Agency.

Celestine previously raced for Phaedrus Flights (James Bryan) and was trained by William Kaplan and later Bill Mott. She is now trained by Christophe Clement.

A winner of last year's Longines Just a Game Stakes (G1T) at Belmont Park, Celestine tuned up for the Honey Fox with a two-length score over Canadian champion Catch a Glimpse in Gulfstream's March 4 Sand Springs Stakes.

Mississippi Delta broke first in the field of six Saturday, but Ortiz and Celestine took command of the early going as the field headed into the first turn. She was able to dictate the tempo, getting the

opening quarter in :24.45 and the half in :49.01, while being tracked by Mississippi Delta and Josdesanimaux. Linda, the 7-2 second choice, rallied to challenge in the final turn, but Celestine was in complete control through six furlongs in 1:12.85.

In the lane Celestine hit the eighth pole in 1:23.93 and an :11.26 final eighth sealed the deal. Linda finished a length behind Mississippi Delta, and was followed by Josdesanimaux, Lori's Store, and Dad's Princess.

"She was the best filly; she ran a great race," said Clement, who was winning the Honey Fox for the first time. "You're not going to beat this filly if she's the first one to dictate (the pace). She's nice. I thought she was fitter today. She trained better. She was tighter and she ran great."

Celestine paid \$2.60, \$2.40, and \$2.10. Mississippi Delta returned \$5.60 and \$3.60, and Linda paid \$2.20 to show. Josdesanimaux, Lori's Store, and Dad's Princess completed the order of finish.

Celestine now has a 8-2-2 record in 16 starts. The Honey Fox provided the 5-year-old with millionaire status, as her earnings swelled to \$1,069,655 after the victory. **BH**

HARD NOT TO LIKE BROTHER SCORES AT GULFSTREAM

By Erin Shea

@BH_EShea

Garland Williamson's homebred Time to Travel, a full brother to multiple grade 1 winner Hard Not to Like, broke his maiden with a dominant 4 3/4-length victory April 1 in the sixth race at Gulfstream Park.

The 3-year-old Hard Spun colt faced a field that included other well-bred runners such as Fayeq, a Malibu Moon half brother to Hall of Famer Rachel Alexandra, and Meantime, a Shackleford half brother to grade 1 winner Sweet Reason.

In the \$56,000 maiden special weight over seven furlongs on a fast track, the Rachel Halden trainee showed speed immediately out of the gate. Never letting the field get within half a length, he had a 3 1/2 length advantage into the stretch and extended that while slightly drifting out under jockey Edgar Prado. The final time was 1:21.84.

Meantime, who tracked close

Time to Travel draws away to score by 4 3/4 lengths

to the frontrunner, finished third; Fayeq raced third through a half-mile and faded to fifth.

Time to Travel is the fourth runner out of the Tactical Cat mare Like a Gem and is the second winner from the mare's six foals. Hard Not to Like, her other winner, captured three grade 1 turf events

in her 22 starts—the 2014 Jenny Wiley Stakes, the 2015 Gamely Stakes, and the 2015 Diana Stakes. She retired with more than \$1.2 million in earnings and was purchased by DATTT Farm for \$2.2 million at the 2015 Keeneland November breeding stock sale. **BH**

CHAUTAUQUA, IT'S SOMEWHAT GAIN BREEDERS' CUP BERTHS

By BloodHorse Staff

With top-level wins April 1 at Royal Randwick, R & C Legh Racing and GPI Racing's Chautauqua and Godolphin's It's Somewhat earned automatic berths into the respective Breeders' Cup Turf Sprint (G1T) and the Breeders' Cup Mile (G1T) through the Breeders' Cup Challenge series.

Chautauqua reasserted himself as one of the world's top turf sprinters with a dramatic last-to-first victory over 14 rivals in the \$2.5 million Darley TJ Smith Stakes (G1), his third consecutive TJ Smith Stakes. One race later on the Randwick program, It's Somewhat captured the \$3 million Doncaster Mile (G1).

As the 9-2 second choice, Chautauqua, trained by Michael Hawkes and ridden by Tommy Berry, dropped back to last at the start of the six-furlong race, while pacesetters Fell Swoop and English led the field. As the leaders turned for home, English went to the front, but Chautauqua, still last, made a furious drive in the last 100 yards and hit the wire first, defeating English by a half-length, with Fell Swoop 1 1/2 lengths behind the winner. The gray son of Encosta De Lago, covered the six furlongs in 1:12.35 over a soft course.

The TJ Smith was Chautauqua's 12th win in 23 starts, but he was winless in his last five outings since capturing the Chairman's Sprint Prize (G1) at Sha Tin last May.

"There were a lot of knockers out there, (but) this horse is the king," Hawkes said to the *Sydney Morning Herald*. "He always has been and has never gone from us."

In the Doncaster Mile, It's Somewhat and jockey Zac Purton broke on top at

30-1 and never looked back, taking a course along the rail and holding off Happy Clapper by a half-length in a 20-horse field. It's Somewhat completed the one mile in 1:39.17 over a soft course.

"We were quietly confident that he'd run first four all week, but when the track played the way that it did, we knew he'd be tough and he was," O'Shea said to Horse Racing Australia. "It was a great ride from Zac Purton and I've owed him a good one for a while. We just rode the track and the way it's playing. We knew that he was a tough, fit horse and he'd done very well from his first-up run, and he just hoped."

The 6-year-old bay gelding by Dynaformer, trained by John O'Shea, won his second race this year in as many starts. He came into the Doncaster off a win in the Hyland Colours Ajax Stakes (G2) at Rosehill Gardens March 11.

The Breeders' Cup Challenge is an international series of stakes races whose winners receive automatic starting positions and fees paid into the Breeders' Cup World Championships, which will be held Nov. 3-4 at Del Mar. **BH**

Chautauqua storms home in the TJ Smith Stakes

STALLIONS & BLOODSTOCK COMMENTARY

with Robert L. Losey, Ph.D.
rllosey@gmail.com

WHERE TO FROM HERE?

Looking at 12 second-crop stallions who are ranked the highest based on cumulative earnings through March 28, Dialed In leads the group on two scores—cumulative purses earned and average purses per first-crop foal. Shackleford is second by cumulative purses, while Spendthrift Farm's Dominus, 12th by cumulative purses from 50 foals, is second when ranked by average purses earned per foal.

Other than by number of graded stakes winners, Dialed In is the clear leader of these 12. But which of these stallions are likely to improve?

Dialed In has produced three stakes winners in year one—the median for leading first-year stallions over the last 15 years—then added two more stakes winners this year. His runners are from mares with the next-to-lowest comparable index (CI) from the group of 12. His progeny's average winning distance (AWD) of 6.6 furlongs is average for this group, and is likely to end up at about 7.1 furlongs. Because his number of potential runners from his first three crops is relatively low, ninth from these 12, he will be hard-pressed to maintain his leading-earnings status over the next two to three years, though his ranking will likely rebound when foals from 2017's full book start racing.

Shackleford has vaulted from 11th to second in three months. His runners already have an AWD higher than the 6.4 furlongs of his sire, Forestry.

Dialed In leads second-crop sires on average purses per crop

Dominus might have the potential to challenge top stallions if his book sizes increase. His AEI and percentage of stakes winners argue for that chance.

Union Rags has at least three factors in his favor. He is tied for second in number of foals. His AWD is high and likely to rise over time to about 7.3 furlongs, a distance near the sweet spot for producing top two-turn runners. And, he has produced more graded stakes winners than any of this group.

Stay Thirsty's gene pool suggests distance, though so far sprints and middle distances suit his runners. Maclean's Music is bred to be middle-distance plus, but his runners are exhibiting sprinting ability instead. Perhaps he can aspire to be the next City Zip or Speightstown.

The Factor, Bodemeister, and To Honor and Serve are bred to go two turns, and their runners are flourishing as they stretch out. The Factor and Bodemeister benefit from large pipelines of foals.

Shackleford's swift move to the top of the list spotlights how quickly rankings can change for young stallions. It's too early to write any of these 12 off, but my handicapping suggests that Dialed In and Union Rags seem most likely to have continued success. Though the big crops of Shackleford, The Factor, and Bodemesiter favor them, and the high AWD of the latter two further improving their chances. **BH**

IMPROVING THE LIVES OF HORSES

“ No matter what your specific role is in the horse industry, we are all well served by any organization which aids in protecting the health and soundness of the horses. That is why I am pleased to be a director and supporter of Grayson-Jockey Club Research Foundation. Grayson has in place an excellent system for identifying, and funding, the best research, wherever it is conducted. I encourage anyone who cares about horses to donate to Grayson.”
