## *in Stakes*

The following section of *The Blood-Horse Stakes Annual for 2008* provides an alphabetical listing of horses who won or placed in 2008 North American stakes, including pedigree and stakes performances.

## Horses 1st, 2nd, 3rd in Stakes

Horses which finished first, second, or third in 2008 North American stakes races are listed alphabetically.

Stakes winners are in capital letters; bold face type indicates winners of black-type races. The names of horses which placed second or third in stakes are listed in capital and lower case letters. The names of the stakes horses are followed by their color, sex, age and pedigree.

Abbreviations used are: H (handicap); S (stakes); div (division); and dh (dead heat).

The money earned by the runner in that stakes race is listed after the race name.

Time records set or equaled are listed, along with the abbreviations: ntr (new track record); ncr (new course record); eAr (equaled American record); ewr (equaled world record); nAr (new American record); and nwr (new world record).

North American graded stakes races are designated by gr. I (grade I), gr. II (grade II), and gr. III (grade III). Canadian graded races are designated as Can-I, Can-II, and Can-III.

Restricted races are noted with a R; Turf races are indicated with a T.
