

ARCI MODEL RULE  
JOCKEYS' PROPOSAL  
Date: 12/06/2019

ARCI-010-035 Running of the Race  
E. POST TO FINISH  
(7) Use of Riding Crop

- (a) Although the use of a riding crop is not required, any jockey who uses a riding crop during a race shall do so only in a manner consistent with exerting his/her best efforts to win.
- (b) In all races where a jockey will ride without a riding crop, an announcement of such fact shall be made over the public-address system.
- (c) No electrical or mechanical device or other expedient designed to increase or retard the speed of a horse, other than the riding crop approved by the stewards, shall be possessed by anyone, or applied by anyone to the horse at any time on the grounds of the association during the meeting, whether in a race or otherwise.
- (d) Riding crops shall not be used on two-year-old horses before April 1 of each year.
- (e) The riding crop shall only be used for safety, correction ~~and encouragement~~ control, and to maximize placing. ~~and~~ It shall be appropriate, proportionate, professional, taking into account the rules of racing herein. However, stimulus provided by the use of the riding crop shall be monitored so as not to compromise the welfare of the horse.
- (f) Use of the riding crop varies with each particular horse and the circumstances of the race.
- (g) Except for extreme safety reasons all riders should comply with the following when using a riding crop:
  - (A) Initially showing the horse the riding crop, and/or tapping the horse with the riding crop down, giving it time to respond before using it;
  - (B) Having used the riding crop, giving the horse a chance to respond before using it again; i. "Chance to respond" is defined as one of the following actions by a jockey:
    - 1. Pausing the use of the riding crop on their horse before resuming again; or
    - 2. Pushing on their horse with a rein in each hand, keeping the riding crop in the up or down position; or
    - 3. Showing the horse the riding crop without making contact; or
    - 4. Moving the riding crop from one hand to the other.
  - (C) Using the riding crop in rhythm with the horse's stride;
  - (D) Limiting the use of the riding crop in the forehand (up) position to 7 times throughout the race on the shoulder and/or hind quarters; and
  - (E) The rider may tap the horse on the shoulder or hind quarters, as long as the crop is utilized in the backhand (down) position, as necessary.
- (h) When deciding whether or not to review the jockey's use of the riding crop, Stewards will consider how the jockey has used the riding crop during the course of the entire race, with particular attention to its use in the closing stages, and relevant factors such as:

- (A) The manner in which the riding crop was used
  - (B) The purpose for which the riding crop was used
  - (C) The distance over which the riding crop was used and whether the number of times it was used was reasonable and necessary
  - (D) Whether the horse was continuing to respond.
- (i) In the event there is a review by the Stewards, use of the riding crop may be deemed appropriate in the following circumstances:
- (A) To keep a horse in contention or to maintain a challenging position prior to what would be considered the closing stages of a race,
  - (B) To maintain a horse's focus and concentration,
  - (C) To correct a horse that is noticeably hanging,
  - (D) To assure the horse maintains a straight course, or
  - (E) Where there is only light contact with the horse.
- (j) Prohibited use of the riding crop includes but are not limited to striking a horse:
- (A) On the head, flanks or on any other part of its body other than the shoulders or hind quarters except when necessary to control a horse;
  - (B) During the post parade or after the finish of the race except when necessary to control the horse;
  - (C) Excessively or brutally causing welts or breaks in the skin;
  - (D) When the horse is clearly out of the race or has obtained its maximum placing;
  - (E) Persistently even though the horse is showing no response under the riding crop; ~~or~~
  - (F) More than 7 times, with the riding crop in the forehand position, on the shoulder and/or hind quarters, during a race.
  - (G) From an arm position above the helmet; or
  - ~~(H)~~ Striking another rider or horse.
- (k) After the race, horses will be subject to inspection by a racing or official veterinarian looking for cuts, welts or bruises in the skin. Any adverse findings shall be reported to the Stewards.
- (l) The giving of instructions by any licensee that if obeyed would lead to a violation of this rule may result in disciplinary action also being taken against the licensee who gave such instructions.
